

DURAprTM OF 120 Clear V-22 42 White PP-8 (1.1-1.2)

Target Market

- Consumer Electronics, Durable Goods, Industrial Equipment, Automotive, and Heavy Equipment

Recommended Applications

- Compliance Labels, Brand Identity Labels, Warnings & Instructional Labels and More

Features and Benefits

- 1.2 mil clear fluoropolymer (PVDF) film design for outdoor graphic printing and overlaminating applications (VBS Supreme)
- Film can be topcoated for printability
- Versatile, permanent clear acrylic adhesive provides optical clarity and bonds well to printed surfaces
- Backed with a 42 lb. one-side poly coated white Kraft release liner that results in excellent adhesive clarity
- Film has excellent clarity, anti-graffiti and chemical resistance as OT 100 C (Tedlar^{®*})
- UV protection for up to 7 years
- Excellent moisture, scratching and dirt protection
- Suitable alternative to Tedlar^{®*} for graphic applications
- Service temperature range of 180°F (82°C)

Quick-Ship Availability

- 52" master rolls - Spencer

Sample Availability

- 4" x 250' rolls, 4" x 10" sheets
