“ A great product range at an economical price that suits multiple application opportunities ”

– Paul, VIC

At HVG Graphics Media, we used our longstanding industry experience to create a collection of dependable self adhesive vinyls with the needs of you, our Australian customers, front of mind.

The imprint collection is the go-to choice for your day-to-day wide format printing needs, offering value for money and dependability from printing right through to installation. imprint delivers innovative polymeric self adhesives including digitally printable films and matching overlaminates. Suitable for multiple print platforms including latex, UV, eco-solvent, solvent and UVgel, imprint offers up to 5 years of expected durability*.

With modern product benefits on selected products, such as air flow liners for fast, bubble free application, stay-flat backing papers, block-out adhesives, specialty high tack adhesives, widths up to 1550mm and gloss and matte finishes, imprint has the perfect product to suit.

HVG's imprint collection offers a range of products to suit a variety of everyday applications, which may include:

- Short to medium term flat to gently curved signage
- Indoor or outdoor display graphics and signage
- Point of sale campaigns including window and wall applications
- Perforated window advertising for shop windows and suitable vehicles

* For further information, please reference the product's technical datasheet.

To help with selecting the right product for your application, please refer to the selection guide below to compare the product benefits and specifications of the imprint collection.

Product	Film Colour	Finish	Thickness	Adhesive	Liner	Air Flow Liner	1370mm	1524mm	1550mm
