Bounce Your Ideas Off The Floor

FLOOR GRAPHICS RANGE

Floor Graphics

For every application

Our extensive product range of floor graphics will have your floors fabulously covered. Our products are specifically made to suit graphic floor applications: indoor surfaces including smooth floors, as well as high traffic outdoor surfaces such as airports, train stations and concourses, even rough surfaces like concrete and asphalt.

Indoors, be bold and be dynamic

Outdoor products:

Product	Type	Description	Thickness	Adhesive	Slip Rating	Match with
OUTDOOR PEDESTRIAN AREAS - textured surfaces such as concrete paths and asphalt pedestrian areas						
Savanna	Textured printable film	High-grip textured white self-adhesive polyester (PVC free)	400 micron	High-tack removable	P5/R13*	-
StreetArt	Textured printable film	High-grip textured white self-adhesive coated aluminium (PVC free)	320 micron	High-tack removable	P5*	-

All slip resistance ratings are derived from ASTM 4586:2013 testing. *All slip resistance tests are conducted on unprinted products. Results may vary with printed product. It's the purchasers responsibility to ensure the product used meets or exceeds appropriate minimum slip ratings for the end use.

HVG Graphics Media recommends thorough testing of product suitability to application prior to installation. For application guidelines and product data sheets, please visit our website hvggraphics.com.au
